ABOUT

Val Fleury is a DJ/Producer, **Liberian**-born and USA based, who has earned acclaim from **AfroPunk** to **NYLON** for her energetic DJ sets and globally resonant Afro-Warehouse sound that intersects House and Techno with her African heritage. She fervently champions underrepresented and international talent, adding an extra layer of inclusivity and consideration to her craft.

Val's musical catalog has amassed **500K+ streams** on Spotify. In 2024, Val is set to release 5 singles. The first, "Statues," debuted in February, earning nods on several **Amazon Music** and A**pple Music** editorial playlists, along with being featured as **Spotify's Fresh Finds Dance Artist of the Month**. Her second single "**PST**" will precede her highly anticipated performance at **Coachella 2024.**

Val's performances span **10 countries and 7 continents**, captivating audiences at Sydney nightclubs, Berlin raves, Shanghai fashion events, New Delhi radio shows, party cruise in Antarctica, and renowned festivals like **SXSW, Roots Picnic**, and **Miami Music Week.**

HUMBLE BRAGS

You'll "dance like no one is watching" to Val Fleury — **Afropunk**

Val Fleury is the "soundtrack to your life" **— Atwood Magazine**

"There's no one in Electronic Music quite like Val right now. She has a distinct sound, her sets are fun, and it's only time until she blows up." — **Francesca Harding (KCRW)**
